## Jetty & Wharf

### Products for Construction & Maintenance

Exafast specialises in fasteners for use in jetty, wharf and related applications. We stock:

- M24 & M30 countersunk head bollard bolts
- Threaded rods in hot-dip gal & stainless steel
- Hex head bolts with extended thread lengths in hot-dip gal
- Cup head bolts & coach screws in hot-dip gal
- Stainless steel hex head bolts, cup head bolts, coach screws & nuts as well as flat round and square plate washers
- Bugle head batten screws and decking screws in stainless steel

We also offer **fabrication services** and can supply fastener specials and components made-to-order at competitive pricing and lead time.

Let us help you with your next construction or maintenance project.
